Dear ones at home

will try and write

a few lines. I got a job this
afternoon so will go to work
in the morning at 4⁰⁰ per day
~~but~~ but it costs so much for
board and room

I have not seen your ~~camp~~
land yet as the roads are
so poor they can't get up
there with their ~~automos~~
automobiles so don't know when
I will get to see it

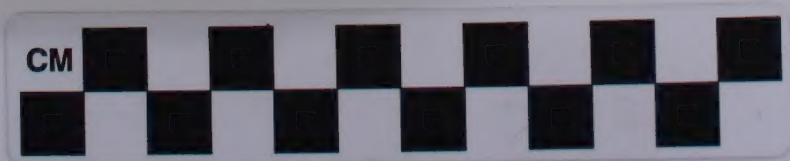

CM

I sent a telegram for my tools
this afternoon. There is going to
be lots of work here pretty soon
just as soon as the weather
set settled.

I don't know what to do
about exchanging everything
is higher in price and costs
more to build unless you get
a small lot, so I don't know
what to do wish you was
here to do as you like

How is all of my baby's wish
I could see them now it is
so lonesome here well fast
must close and put this in the
mail Good by love to all

from daddy

ask for house key -
